

Lease it. Love it? Buy it!

You may qualify for the Lease with a Right to Purchase program.

This program is intended to provide qualified individuals who are not ready to buy today with a clear path to homeownership in the near future.

Making Homeownership a Reality for More People

With our help, you can find a home in a community you want to live in and lease the property for up to 5 years (in most areas). You have the option of purchasing the home at any time during your residency. You have the right to purchase the home or the option of walking away without penalty at the end of your lease. Our program gives you the opportunity to realize the dream of owning your home.

The process is simple and transparent:

Prospective household
applies for approval.

Household finds
a Home Partners
qualified home.

Home Partners buys the
qualified home, household
leases from Home Partners.

Household has
the right to purchase
the home.
